Executive Teacher: Nicky Smith

Community coordinator: Jason Thornton

Business Manager: Emma Muffet

Office Administrator: Nicole Emerton

Anglicare at Southern Cross

Director: Erin Uphill

Assistant Director: Renée Buchanan

Educational Leader: Mel Marshall

Centre Administrator: Rosie Chant

Dear Families

Yumalundi (welcome in Ngunnawal) to all of our families, friends, staff and children. What a fabulous start to 2021 we have had! I would like to welcome our new teachers Belinda Smith (Wirria), Rebecca Morgan (Dyurra) and Sharron Wynn (Ghaddi). Welcome to our Southern Cross Community! Please read more information below to get to know our newest staff members.

I would like to congratulate all of our preschool children, families and staff. It has been such an amazing week of learning new routines, exploring the preschool environment and of course saying goodbye to family members. The children have all been so brave and have all had an exciting and energetic start to their preschool year. We welcome feedback on our transition, orientation and first day processes. If you would like to provide any feedback or suggestions, please talk to your child's teacher, Emma, Nicky or myself.

Children in our kindergarten and year 1/2 classes have already begun learning through our reading and writing workshops and our play workshops (previously known as investigations). The children are loving focusing on a specific curriculum area and collaborating as they answer a big question that they are all wondering about.

Upgrades Throughout the School

While everyone has been having a well-earned break, we have had many areas of the school upgraded. I would like to thank Emma M

(business manager) and Jose (BSO) who have ensured all workers have had access to the school site. Below is a list of all the wonderful things that have happened so you can notice these areas as you walk through the school:

Southern Cross Early Childhood School

Wirraway Crescent Scullin | ACT | 2614

☎ Telephone (02) 6142 0020

✉ Email: info@scecs.act.edu.au

🌐 Web: www.scecs.act.edu.au

Southern Cross Early Childhood School acknowledges that our children learn on Ngunnawal Land.

- The lighting in the hall has been replaced with LED lighting, working efficiently for our environment.
- New doors have been fitted that lead into the kindergarten corridor.
- The courtyard in between Anglicare and our preschool entries was cleared out ready for an upgrade this term. Our Southern Cross team and the Anglicare team have been working collaboratively to plan for the upgrade – and it is almost complete! Make sure you take a look at our beautiful new learning space.
- Air conditioning units have been fitted in all classrooms across kindergarten and year 1/2.
- The carpet has been replaced in Belinda's year 1/2 room.
- Unfortunately, the tree in the Reconciliation Courtyard has had to be removed due to borers. Jason and the RAP team have many wonderful ideas for this area so watch this space!

Getting to Know You Interviews

You will have received an email from Nicole with a link for you to select an interview time with your child's teacher. Working in partnership with you is something we highly value. You know your child best and it is important for us to gather that information early in the year to support us in our role as your child's teacher. If you haven't yet booked in, please call Nicole at reception who can help.

COVID-19 Update

We continue to remain vigilant and safe across our site this term to ensure that we keep COVID-19 as bay. We are very lucky to be able to live, work and play in the ACT where community transmission is so low. Additional cleaning will continue at Southern Cross for now. The guidelines we must follow are:

- **Density requirements** – visitors must not exceed one person per two square metres in indoor or outdoor spaces.
- **Physical distancing** – visitors should keep 1.5 metres apart from each other where possible, unless they are from the same family group.
- **Checking in** - Visitors to schools, including parents and carers, should check in using established school processes. If families would like to plan to stay onsite for longer than 15 minutes, they should be signed in at reception, using normal school processes.

I would like to thank everyone in our community for the way you have all remained patient and supported us to keep everyone safe. It truly does show our community spirit.

Community Events

Many of our traditional community events will be able to go ahead this year – so exciting! As mentioned above, you are all invited to our Getting to Know You interviews this week.

We have decided to hold our Community Picnic and Camp Out as one event this year. An application form through ACT Health is required for these after-school hours events. We have sent in our application and are awaiting a reply. More details to come about this great event.

Kind regards,
Kelly

From Southern Cross

How to Notify the School of Your Child's Absence

Southern Cross Early Childhood School will be sending an SMS to inform families of student absences. You will receive an SMS to let you know your child has been recorded as absent on the morning of their absence. We will endeavour to send this message by 10.30am every day. This will reassure you of your child's arrival at school and make it easier for you to keep your child's attendance record up to date when they are absent.

Simply reply via SMS, with your child's name and the reason for your child's absence, your reply will be saved directly onto your child's attendance record. If you do not reply, your child's absence will be recorded as 'unexplained'.

- For **unexpected absences**, responding to the SMS will notify the school and be placed directly onto your child's attendance record.
- For **late arrival**, you may still receive an SMS in the morning, please sign in at reception and your child's attendance record will be updated to a partial attendance for that day.
- For **planned absences**, we would still appreciate advanced notice of your child's absence, please notify your class teacher or Nicole at reception.

SMS notification messages will commence Tuesday 8 February 2021.

Stationery Supplies

Thank you to families that have already purchased stationery supplies for 2021. At Southern Cross children experience very interactive and creative learning and children utilise many types of resources to enhance their learning experiences. Your support with purchasing these requirements is appreciated.

The last day to order is Friday 26 February 2021.

For Kindergarten – Year 2:

Please visit www.cos.net.au and follow these steps:

1. Click on **School Packs** in menu task bar
2. Enter the Username: southerncrossearlychildhood@cos.net.au Password: **Parents-21**
3. Select the Year level required for 2021
4. Review product selection based on your requirements
 - Please note, items may have been marked as either mandatory or optional by your school
5. Add your Pack to the Cart
6. Enter your Child's Details & your address (all packs will delivered to the school)
7. Enter in your credit card details and submit

You will receive an order confirmation via email.

For Preschool:

- Cash - correct amount paid at reception in an envelope with your child's name and class written on the front.
- Online – payments can be made online via [QuickWeb](#). To access, click on the link or go to the school's website and select the payment tab. If making payment via Quickweb you will require-

EXAMPLE

Student Key: (first 5 letters of student surname then first initial) SMITHJ

Student Name: John SMITH

Year Level: Preschool

Fee Code: PREREQ

This information has been previously sent to preschool families with an email titled - Southern Cross Early Childhood School Preschool requirements for 2021

Voluntary Contributions

Over the coming weeks families will receive a request for Voluntary Contributions.

During the year your child will participate in a variety of learning experiences that require additional art and craft supplies, cooking ingredients and dramatic play props. A **voluntary contribution** of **\$60.00** per child will help support us in covering the cost of these items. These contributions, made by families each year, directly support children's education and the learning environment at Southern Cross Early Childhood School.

Please note that the payment of this financial contribution is voluntary. The *Education Act 2004* states that your child will not be approached or refused benefits or services if you choose not to contribute. Individual records of contributions are kept confidential.

We appreciate your support.

New Educators at Southern Cross

Sharron Wynn

I have been a teacher for over 20 years, working mainly in Early Childhood (K-2), which is where my passion lies. For the past six years I have been teaching at O'Connor Cooperative School as the Year 1/2 and science teacher. I am passionate about visual arts and literacy and look forward to investigating a range of art techniques with the children as well as exploring what good readers and writers do to be successful!

With my husband Geoff, we have two children, Liam 12, and Jessica 10. We enjoy bike riding, going for long walks together and we also share a love of the Canberra Raiders!

I am looking forward to joining the Southern Cross Community and getting to know all of you. I value the contributions parents and carers make to the education of our children and look forward to working closely with you.

Belinda Smith

After starting to learn the piano as a child, I became very passionate about music and education. This passion led me to join the Chamber Music Ensemble at the Australian National University throughout years 11-12. After completing the program, I studied a Bachelor of Music. To extend on my passion for education, I then completed a Master of Primary Teaching at the University of Canberra. I look forward to sharing my love of music, and being part of a life-long learning journey with students. I feel very fortunate to be a teacher at Southern Cross Early Childhood School that is filled with kindness from the staff, families and students.

Rebecca (Bec) Morgan

My name is Bec and I have been working in early childhood education in various roles for the past 9 years, including as Centre Director and Early Childhood Teacher. Prior to that I had spent 5 years traveling around the world, living in Canada, New Zealand, Falkland Islands, Brazil and Argentina. I am passionate about play in early childhood and love the philosophy at Southern Cross Early Childhood School. I am thrilled to be working here two days a week and have loved getting to know the children, families and the incredible teachers and staff that make this place so special. I love trees, plants, bushwalking, children's books, playing the guitar and learning languages. At home, my husband and I speak a mix of English, Spanish and Quechua (one of the native languages of South America) with our two daughters, aged 6 and 1. I am really looking forward to getting to know you all.

Lunchtime Learning Clubs

Lunchtime Learning Clubs

Linking Families to Learning - How do the teachers at Southern Cross expect my child to do his or her best?

Relationships are key to many aspects of our work with children at Southern Cross. Once children know that we are interested in them and care about them, then they are more likely to take chances with their learning and share what they know. As Dr James Comer says “No significant learning occurs without a significant relationship”. Teachers use many different strategies to understand where children are at with their learning. These strategies could include observations, anecdotal reports, checklists, assessment tasks, discussions, data, learning journals and reports. Every day teachers are building and growing their understanding of your child and where they are with their learning and development.

Once your child's teacher has some information, they work out what the next steps are, framed by the Early Years Learning Framework for preschool and the Australian Curriculum for Kindergarten to Year 2, to help your child progress. Detailed feedback during learning helps your child to know what the next steps are or how they can improve their learning. Goal setting is a crucial part of this process and we are working to make our learning visible across the school. This will look different across the years but children will develop with their teachers (and sometimes with you) individual, small group or class goals for their learning. They will then be supported to progress their learning to meet that goal.

As parents and carers, you hold such a comprehensive understanding of your child that often teachers will call on your knowledge of your child to help them in some areas. This is why our Getting to Know You interviews and staying connected over the term are so important. Each term your child's teacher will send out a term overview which will help you know what learning is planned for the term. We also contact families when we are developing Individual Learning Plans (ILP's) and Personalised Learning Plans (PLP's) for children requiring additional support. Should you think that there is a mismatch between your expectations and the teacher's expectations then please talk to your child's teacher as soon as possible so that we can work through the issue.

You can find out more information about how you can support your child to do their best at school at the Education Directorate website below.

<https://www.education.act.gov.au/parental-engagement/information-for-parents>

For more information about the Early Years Learning Framework or the Australian Curriculum please go to <https://www.education.gov.au/early-years-learning-framework-0> or <https://www.australiancurriculum.edu.au>

If you have any additional questions please see your child's teacher, Emma (Preschool team leader) or Nicky (Kindergarten, Year 1 and Year 2 team leader)

Community Hub

Community Coordinator

I would like to welcome everyone to Southern Cross Early Childhood School for the start of the school year. My role as the Community Coordinator is to work with families, the local community and school staff to develop a school environment where everyone feels welcome, safe, supported and connected. I organise school community events, provide family support, link children and families with community services and events, conduct parenting workshops and courses, oversee the social and emotional learning across the school, and run the school's sustainability program.

As a part of our family-school partnership plan we invite parents and carers to be involved in school programs and take on various responsibilities across the school.

Here are some programs to start off the year:

Green Team

If you enjoy working in the garden and have some spare time during the week, come and join our Green Team. The Environment Courtyard and our orchard require continual maintenance and it's always nice to have extra helping hands.

Be You Action Team

'Be You is a national mental health initiative for educators which aims to promote and protect positive mental health in children and young people in every early learning service and school in Australia.'

Reference: <https://beyou.edu.au/get-started>

Southern Cross Early Childhood School is a Be You learning community and has formed our own Be You Action Team of parents, carers and educators to oversee and implement mental health practices across the school. Our aim in 2021 is to build school staff capacity and confidence to support children and families who are experiencing mental health challenges. We invite parents and carers to join our 2021 team.

Be You - Family Engagement Coordinators

Each class has a Family Engagement Coordinator (FEC) who works with other FECs from classes in the same year group to organise play dates outside school hours. FECs plan play dates each term to connect families and develop friendships and support networks. Please let your teacher know if you want to be your child's class representative.

If you are interested in any of these roles or programs, or would like to be more involved with the school, please contact me on 6142 0020 or via email - jason.thornton@ed.act.edu.au .

Jason Thornton
Community Coordinator

Story Time

Southern Cross Early Childhood School

Story Time

When: Tuesday mornings—Term 1 2021

Time: 9:05am to 9:30am

Where: On the grass near the front entrance

For: Young children with their parents or carers

Linking Families to Learning

Welcome back to a new year of learning together at school and home. This section of the newsletter is designed to give families ideas on ways to support their child at home with their learning. We often get asked questions from families on ways to help with reading, writing, numeracy and social and emotional learning. Each fortnight a different topic with helpful hints will be covered.

The beginning of the school year can sometimes bring big emotions for our children and this could result in the morning drop off being emotional for your child and also yourself. Here are some ways you could help to support your child to have the most positive start to the day.

- Have a set routine in the morning, this could also include a routine when you get to school. Talk about this with your child to see what routine makes a positive morning for them and you.
- Use a visual timetable for the morning this could be something your child marks off when they have completed it.

- Have a photo of their family at school can help for your child to have a visual to go to if needed.
- Getting your child to help with packing their lunch box and allowing some choice in what they eat for the day, for example banana or apple and sandwich, wrap or salad. This gives them some ownership and can help with fussy eaters.
- Start to develop their independence by getting your child to pack their bag. Start by having all the things they need and get them to problem solve where it will all fit.
- Let them know (if possible) when any routine for the morning or afternoon pick up is going to be different so they know what to expect.
- Remember our teachers are out for Morning Muster at 8.55am, so if the morning has been a little different or unsettled touch base with them.

By the end of the week children may be getting tired and therefore saying goodbye can be emotional. Please connect with a teacher or any of our support staff to help. We will connect with you as soon as possible to let you know how they have settled. This is hard for both children and parents but be reassured that children will often settle quite quickly and be happy playing and learning with their friends.

Anglicare

Welcome to a new year with Anglicare!

Things to know

- Renée will be at Reception Mondays could you please email all enquires to southerncross@anglicare.com.au and these will be processed or forwarded on to the relevant team member.
- Rosie will be at Reception from Tuesday to Friday to process accounts, as the Centre Administrator.
- Just a reminder that we require two weeks notice in writing for **any changes to bookings** both long day care and before and after school care.
- If your child is absent please notify the centre on southerncross@anglicare.com.au or 6142 0020
- Children attending the school in Preschool to Year 2 have the option to purchase a lunch order made by our lovely Chef Hana in the Bright Star Cafe – these include a hot meal and piece of fruit for **\$5.00**. Each term we have a new Seasonal Menu on a four week rotation.
Menu and envelopes for payment are found on the reception desk. Please ensure you mark down your class name and any allergies or dietary preferences, and you can pre-order in advance!

Walga Nature Preschool

During week one, it has been wonderful to see the children learning and engaging on Country, exploring acknowledgements of country and all the environments they are going to be visiting through the year in and around the school grounds. As this is a brand new full time program, we appreciate your patience as we establish routines, where to put our bags, drink bottles and lunchboxes, what to wear each day or pack in case and explore our nature-play based curriculum.

Some of our friends start in Before Preschool Program 7:30-9:00 in the Community Room (located behind Bright Star Café) with other prechooler's who will be dropped off by an educator to their classes when the school bell rings.

Our morning routine is group time and morning tea (Munch and Crunch) then off we go for a day outdoors! We come back in to collect any lunch orders before having a picnic lunch somewhere and more play-based enquiry activities. Mindfulness yoga and opportunities to rest in our tent also occur during this time. In the afternoon, we meet back in the Community Room for afternoon tea and the After Preschool Program children join us at 3:00pm. At 5pm and we take our belongings to Munjawari for the last hour of the day to enjoy the preschool yard and slide mountain!

WHERE TO SIGN IN AND OUT: We will have a tablet in the Community Room or at the Reception to sign over the duty of care of your child to the educators. We will sign on your behalf when your child is moving between programs,

however on your next collection you will be asked to confirm this under your digital account when you next sign into the tablets.

WHERE TO FIND US: (7:30 - 9am and 3:00-6pm in the Community Room) this will change to the new courtyard once completed.

IF I AM LATE: Make your way to reception and we will ring the Walga educators to find their exact location on school grounds.

FOOD IN WALGA: As we are out and about all day, little bodies require fuel for energy.

We only provide lunch for children that have booked into our before AND after school programs for a day. Please pack a lunchbox with 3 meals with lots of fresh snacks for **Munch and Crunch** and **Afternoon Tea** and **Lunch**.

MORE INFORMATION: Check out the Walga Brochure on the Anglicare website

<https://www.anglicare.com.au/services/early-learning/anglicare-at-southern-cross-early-childhood-school/>

Bright Star Café Menu – Term One

Children attending the school in Preschool to Year 2 have the option to purchase a lunch order made by our lovely Chef Hana in the Bright Star Café – these include a hot meal and piece of fruit for **\$5.00**. Each term we have a new Seasonal Menu on a four week rotation.

Menu and envelopes for payment are found on the reception desk. Please ensure you mark down your class name and any allergies or dietary preferences, and you can pre-order in advance!

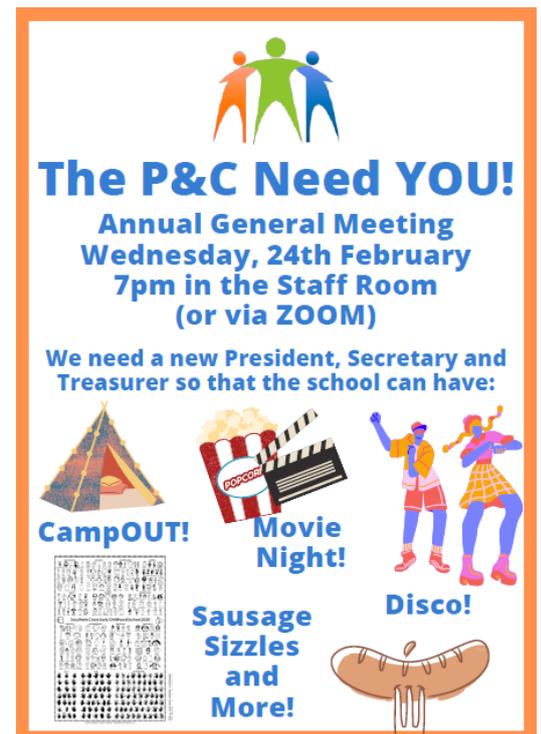

Welcome to the 2021 school year!

Hello and a big welcome to our new families at Southern Cross! Our P&C runs a number of events throughout the year from discos to movie nights to sausage sizzles. We do all this to raise as much money for our beautiful school as we can AND add to the sense of community we enjoy here. The P&C meet twice a term and our core committee does a lot behind the scenes. We then call out for helpers at specific events. You can be as involved as you'd like and we would love to have some fresh helpers in 2021.

Annual General Meeting

The P&C will be holding our Annual General Meeting on Wednesday, 24 February at 7pm. You can attend in person in the staff room (access to the school via the staff car park entrance) or via ZOOM (how to join information will be distributed on the day). This AGM is important as it is where the new President, Secretary and Treasurer will be elected. The current committee has given two years to their roles and need to step down. We need new parents and carers to step up so that the school can have fun activities such as the disco and CampOUT! Without a new committee we will be reduced to a uniform shop with no other community events.

For more information please reach out to our outgoing President, Jess Yeo, on scecsbandc@gmail.com. Our current committee members are committed to handing over the roles as thoroughly as possible and helping you through the first events.

Thank You School Clothing Volunteers

Thank you for everyone's support during the uniform shops back to school rush. Our two volunteers, Megan and Cassy did a brilliant job.

Jess Yeo
P&C President

Scholastic Book Club

Your child will soon or may have already brought home a new issue of **Scholastic Book Club**. Every order placed earns points for the school to purchase **valuable resources**. Ordering on line is easy and convenient, but cash orders are welcome too. More info can be found on the first issue.

This is an activity done by the Parents and Citizens Association (P&C) to support the school.

Kind regards,
Jasja van den Bos, Coordinator Scholastic Book Club
schoolbookscecs@gmail.com
